St. Louis, July 5, 1870.—JAS. A. JACKSON & CO.: Having examined the formula from which your celebrated "Stomach Bitters" are prepared, and having witnessed the method of combining the different ingredients, we can safely recommend them as the best tonic with which we are acquainted. From the great care with which they are compounded, and from the choice materials which enter into them, we have no doubt that they will prove, as they deserve to be the most popular ionic and stimulant in use.

Respectfully, yours,
VASTINE, M. D. T. G. COMETOCK, M. D. We cheerfully concur with every word contained in the above testimonial.
